

**Notice of Correction – Contract Bid Form Type:**  
**Hunter Timber Sale – Mt. Magazine Ranger District**

**July 15, 2015**

A mistake was found in the timber sale package for the Hunter Timber Sale advertised on July 5th, 2015. The Road Deposits were incorrectly calculated at \$5.32 /ccf in the original proposal and should be \$3.30 /ccf. At this time we are notifying all timber sale bidders of this discrepancy and we will also be updating our "Active Timber Sales" website with this change. Please reprint the Prospectus & Bid Package to assure that you have all correct information. The bid opening date for Hunter Timber Sale will not change from the August 6th, 2015 date at 02:00 PM.

This correction does not change any other aspects of the timber sale other than the Road Deposits change. If you require any other information please feel free to access the information for this timber sale at <http://www.fs.usda.gov/osfnf/> under Active Timber Sales.

If you have any questions please call.

Thank you,

A handwritten signature in blue ink, appearing to read "Mark Burge".

Mark Burge

Sales Forester – OSFNF
